James L. Reed

September 8, 1946 - October 15, 2020

Jim was an adventurous young man. He loved the outdoors and spent much of his time fishing and camping and was a wrestler during high school. He was also mischievous. During high school he experienced a mishap that blew the roof clear off his chemistry class. He must have loved chemistry because he continued to blow things up every 4th of July, one of his favorite holidays. After graduation Jim enlisted in the U. S. Army, where he served from 1965-1968 during the Vietnam War. While serving his country, he received a Bronze Service Star. After returning home from the military, he met and married the love of his life, Judy. He worked for the CF&I Steel Mill for 15 years and later retired as a guard from the Pueblo Army Depot with 27 years of service to them. He loved to work on crafts and woodworking. He was always busy building something. James would keep himself busy. He would build things just to pass the time and would have his boys working alongside him. He would make toys for the boys and knick-knacks for Judy by hand from wood. Jim loved to be outdoors, whether it be camping and fishing or just working in the yard, you could always find him outside. Jim will be forever loved, deeply missed and remembered always

To Charles and the Reed family,

I am so very sorry for your loss. You are in my thoughts and I hope that you find comfort as you reflect on fond memories during this difficult time.
