“ Our sincere condolences to the Carducci family. We will always love and miss you Chuck. You were like a father to me and one of the kindest and generous men I have ever known. Your sense of humor and wit were infectious. May the Lord bless you and keep you in His love. (Proverbs 3:5,6) "But as it is written, Eye has not seen, nor ear heard, neither has entered into the heart of man, the things which God has prepared for them that love Him. (1 Cor. 2:9) Love, Rob and Robin Carducci

“ My husband and I knew Chuck from the Amarillo, Texas Elks Lodge. We thought the world of him and missed him so much when he moved to Colorado. He was a most kind and very generous man. He and his buddy Mel could sure tell some great stories. They were always surrounded by friends and laughter. We are very saddened to hear of his passing but we are very grateful that he spent his last years at his real earthly home in Colorado. We know that is where he truly wanted to be. In recent years we met the family that purchased the home on Snead Drive where he lived in Amarillo. It was just by chance that we were visiting one evening and they mentioned purchasing the home from Chuck, we were astonished and visited with them for awhile about the home, Chuck's great personality, the forever friend Poodle & his white Cadillac. They told us that they had found a family photo that Chuck left behind in the house by accident. They wanted to return it to him but had no way of knowing how to contact him or any family member. The photo is of a very young Chuck, his wife and three children. We would be so honored to be able to return that photo to Chuck's family. I will mail it directly to the funeral home and ask that they present it to you. Please accept our deepest sympathy for the loss of your wonderful Father.

Respectfully,
Johnny and Kathy Wiseman

“ Oh my, so much to say about my beloved customer Chuck! At Village Inn we called him Chuckster. He loved his bowl of fruit every morning...I MEAN EVERY MORNING. Yes he was a "regular" and we loved him. The other customers loved seeing his dog Prince drive up in that beautiful Mercedes Benz. Chuck was the most generous customer EVER!!! He always kept us laughing too with his jokes and he always had a tear running when he laughed with us. The host and the busser and the cooks always knew when Chuck was there. A bundle of joy he was and will always be. And his family was always there eating breakfast and spending time with their dad, Chuck. That was special. He is now eating breakfast with our HEAVENLY FATHER; and still making JESUS laugh
