

Daria "Dorothy" Dall

June 20, 1931 - October 17, 2021

Daria Bravo, born in 1931, was raised in Pueblo, Colorado, in the Salt Creek and Bessemer neighborhoods steeped in rich Mexican culture and traditions. She married Wesley Dall in 1950, and they had two children, Edward and Alice. Together, Daria and Wesley gave their all to ensure a better life for their family. Daria worked countless double shifts to make sure Edward and Alice had a Catholic school education.

Daria's career as a waitress began at the La Salle Café and concluded at Patti's Drive In, where she worked 41 years for the Patti family. She was affectionately referred to as "Dall" to those she served in the Pueblo community. She retired from Patti's in 1999 to be an at-home provider for her newborn great-granddaughter, Alyssa. One of the many fun stories Daria told was about the time she waited on President Kennedy at the Continental Hotel and the letter she received from the Office of the President thanking her for her meal service.

Daria was equal parts sweat equity, pour me another round, stand your ground, and unconditional love...all in a man's world that didn't define or confine her. She believed that sometimes you need to run away from where you are to find yourself, regardless of others' judgement or disapproval. All she asked of us, if we needed to run away to find ourselves, is that we call home from time to time to say hello and let her know we are safe and having a good time.

Sunday dinners, after-school meals at Furr's, tequila shots in Mexico, warm beers in Spain, laughing at how she sneezed, baking Mexican wedding cookies and pizzelles, Saturday breakfast at Patti's, wax paper-wrapped bean tacos on the way out the door, lessons on saving money, never missing a dance recital, and always making sure we wore ironed clothes when out in public.

These are some of the ways we carry Daria, mom, grandma, and great grandma with us, since she has been called back to wherever we go when our time is complete on earth.

Daria "Dorothy" Dall, 90, of Pueblo, began her journey into eternal life Oct. 17, 2021. “ I loved spending time with Aunt Dorothy! She was always happy, smiling. Being around her, you found her joy wonderfully contagious. Our favorite activity was spending time in the "New Age" stores along Union Ave. She would often tell me about her Mother and how she had the knowledge to make natural cures for people. I loved listening her to talk about her mother's healing gift. I feel so fortunate to have been able to spend time with her. She deeply loved her family. I am sure she is soaring high and watching over all those she loved so very much. God Bless

“ To The Dorothy Dall Family,

Dorothy Dall was a Beautiful Lady inside and out.

Dorothy was considered part of the Patti Family.

Dorothy worked for Tony Patti and Angelo Patti at Patti's for more ten 40 years. She worked along side of their wives Nell and Elsie.

She would remind Jim Patti she changed his diapers when he was a baby, making him blush and then she would laugh that great sweet laugh. All of Jim's children worked with her at the restaurant and she taught them how to do a good job. We have so many great memories that we will cherish always.

After her retirement she would meet with the Patti's retired employees for breakfast. I am sure they are all having a great reunion.

Dorothy was loved and respected by the Patti Family, the customers and her coworkers.

The World is a better place because Dorothy lived and the Heavens rejoice because she lives on.

We will miss you "Dall".

Love JudyPatti and Family.

“ I left Pueblo soon after high school, so didn't get in all the family gatherings. I have many memories of getting together with my cousins as we grew up. She always made you feel loved as you would greet her in later life. She loved to give advice of losing weight, and sharing her recipes. I know you will miss her Pee Wee. Randy did such a good job and you are such a good story teller. Miss you guys, and so thankful for virtual funerals, it made it seem like I was almost there but loved the video. and loving the cousins at this time. I know Eddie was there in spirit. Love, Lorraine
