

Dr Eustice Zacher

October 14, 1943 - July 26, 2017

Dr. Eustice Zacher aka Dr. Evstati Zachariev, passed away at his home in Pueblo, Colorado on July 26, 2017. He was born at home in Sofia, Bulgaria on October 14, 1943. The world was at war and the city was being bombed when his mother gave birth. His father, also a physician, saw patients during the day at the family home in the center of the city and made house calls in the evening. During his childhood Dr. Zacher spent his holidays and summers in a village near Sofia with his two Aunts. He attended school in Sofia through high school, served in the Bulgarian army for two years and then went to Romania where he attended medical school.

He was preceded in death by his father Dr. Evstati Zachariev and mother Ivanka Zachariev.

Leaving to cherish his memories are his children Eustice Simeon Zacher, Ivana Marie Zacher and the mother of his children LeAnn Marie Zacher and his sister Dr. Vichra Grabner of Vienna, Austria. His children were the loves of his life. When his son Eustice was born he retired from medicine to raise his family. A year later he traveled half way around the world to his home country of Bulgaria to adopt his beautiful daughter Ivana. He was hoping to be here on his birthday this year to welcome his grandson Giovanni De Angelis Simeon Niccoli, with his son in law Noah Niccoli. Dr. Zacher's sister, Dr. Vichra Grabner of Vienna, Austria will also miss him dearly.

The happiest times of his life were spent with his family and friends at his ranch in the Wet Mountains of Colorado. Hunting and fishing and his love of nature were passions he shared with his children. Traveling with his family also brought him great joy. One of his most cherished moments was when he was able to attend his son's graduation from Pueblo County High School on May 27th, 2017. He also cherished his close friend Dave Aldritt, who no matter the circumstances, would take time out of every day to check on Eustice and help him when needed.

Viewing will be at 9:00 a.m. Monday, July 31 with services to follow at 10:00 a.m. at Roselawn Mortuary Chapel. A reception and light lunch will follow afterwards at Wesley United Methodist Church, 85 Stanford Avenue, Pueblo, Colorado.

“ Dr. Zacher was an amazing man. He took care of my Mother in 1980 when she was so sick with an early stage cancer. I will always remember that he was the one who came to talk to me at the hospital after the surgery, I had no one else there with me at that moment and he was very comforting. Rest well, we were always so proud to say that Dr. Zacher took great care of Mom.

“ I just learned of your father passing, I am so sorry! We would talk on the phone almost every day...so that would explain why I haven't been able to reach him. I shall miss him and our conversations. I am the tall skinny guy who stay there for a while trying to help him do something with the mining properties. “ May Dr. Zacher rest in peace. A fine Obstetrician. Worked with him at Parkview in the late 80's and early 90's. Delivered many Babies.

“ You may be gone, but now you're at peace. No more suffering or sadness. We can feel your presence and knowing that you're safe is our biggest blessing.

“ I am sorry to see that one of the most awesome Drs. has passed. Dr. Zacher saved my life, as he saw me when I was almost dead. I think he is the best Dr. I have known. So sorry that he is gone.

“ We are saddened by Eddie's passing. We have many fond memories. Eddie delivered our two sons. Dr. Sceats (pediatrician) said Eddie did the best and fastest Cesarean section and the babies came out pink!
We regret we are out of town and cannot attend the services. He was a very kind and caring friend! The family is in our thoughts and prayers

“ I met Eustice 25 years ago when he wanted to build some small ponds on his mountain ranch and required some permitting and engineering assistance. This chance meeting developed into a friendship that resulted in spending many hours together on the ranch and sharing many good times. Eustice was always ready to take on another project and was full of many ideas which he pursued with a passion. He was extremely generous and caring and will be dearly missed by friends and family. My sincerest condolences to the family.

“ We are saddened to hear of Eustice's passing. We cherished his friendship and kindness during our time in Pueblo. He and LeAnn were very good to us. We enjoyed time at their cabin, vacationing, raising our babies together, celebrating birthdays, and having family dinners. Our sympathies and prayers for peace for Ivana, Eustice and LeAnn.
