

Frank J. Ricotta

June 18, 1936 - October 6, 2020

Frank J. Ricotta, 84, of Pueblo, passed away Oct. 6, 2020.

Frank dedicated his life to his Roman Catholic faith, his family, and the Pueblo community. He is survived by his devoted and loving wife, Carole, with whom he recently celebrated 66 years of marriage. He is also survived by his adoring children Constance Ricotta (Mike D'Cristina), Carole Guinane (Tom), Therese Suazo (Tim), Frank Jr. (Barbie), and Dominic (Stacy). Frank's 12 beautiful grandchildren and 16 sweet great grandchildren brought him tremendous joy. He will also continue to be cherished by numerous nieces, nephews, cousins, Godchildren, and friends.

Frank's loved ones will miss his smile, quick wit, sense of humor, storytelling, guidance, wisdom, voice of reason, compassion, unyielding support, unconditional love, generosity of spirit, and strong and positive presence in our lives.

Frank was born on June 18, 1936 in Pueblo. He is predeceased by his parents Frank and Nancy, his Godparents Dominick and Vera Genovese, baby Ricotta who became an angel prior to birth, his sisters Judith Willett (Tom), Constance Pryor (Edward), Elizabeth Albanese (Pete), and Lucille Moore (Robert), his Uncle Vince and Aunt Victoria Marion, and his friends John DeNardo and Anthony Paglione.

Frank is a lifelong educator and advocate of public education. A man of faith, integrity, humility, intellect, loyalty, and reliability, Frank always put his children, grandchildren, and students first as their teacher, coach, faculty sponsor, tutor, mentor, and champion. He taught mathematics at Pueblo South High School, where students and faculty alike universally loved him. Frank always urged his own children and grandchildren to place a high value on education.

Frank served as an administrator in Pueblo School District #60 in human resources and facilities lead roles prior to his retirement. His passion for public education led him to victory in an election to serve a six-year term on the Colorado State Board of Education

representing the Third Congressional District. Frank was selected for the Pueblo South High School Alumni Hall of Fame, one of the school's first faculty members to receive this honor.

Frank obtained his A.A. degree from Pueblo Junior College, his B.A. degree from Adams State College, his M.A. degree from the University of Southern Colorado (now Colorado State University, Pueblo), and his Ed.D. degree from the University of Colorado, Boulder. He also studied mathematics in a summer program at Boston College pursuant to a grant.

Frank played semi-professional baseball as a young man. He was not only a baseball fan, but a New York Yankees superfan. Frank also loved his dogs and rescued many in need of a good home. He has served on the Pueblo Catholic Diocese finance board and the Shrine of St. Therese parish board. He is past president of the Roselawn Cemetery Board, co-founder of the Pueblo La Famiglia Italian heritage chapter, and past board member of the City Park Municipal Golf Course. As a licensed professional contractor, Frank contributed to the residential expansion of Pueblo's southside during the summers between school years.

Frank maintained a strong faith in Jesus Christ his Lord and Savior and a lifelong devotion to Mary, the Blessed Mother of our Lord. Frank is a longtime parishioner of the Shrine of St. Therese.

Frank's family would like to extend their heartfelt gratitude to Father Mike (Chrisman), the Rivera family for their loving care, and the staffs of St. Mary Corwin Hospital, Penrose Hospital, Sangre de Cristo Hospice, and Bonaventure of Pueblo.

There will be a public viewing at Roselawn Chapel on October 12 from 4:00 p.m. to 7:00 p.m. Frank's Rosary service will be held on Tuesday, October 13, at the Shrine of St. Therese at 10:00 a.m. His funeral service will immediately follow at 10:30 a.m. Frank will be rested during a private service at Roselawn Cemetery on the afternoon of October 13.

Due to the coronavirus, we are asking those with any medical conditions to send their love and prayers from home. At the Rosary and funeral services, the Shrine of St. Therese offers only limited seating and requires social distancing and masks. With deep regret and sincere apologies in these difficult times, church attendance will therefore be limited in order to ensure available seating for Frank's closest family and friends. The Rosary and funeral services can be viewed online via the Shrine of St. Therese livestream beginning at 10:00 a.m. on October 13 by visiting the Shrine of St. Therese YouTube channel:

“ Frank was the kindest, most wonderful man. He was my favorite teacher of all time, and from him I learned not only math, but many lessons in how to treat others. We continued to be friends over the years, and I always knew he would greet me with a smile, encouragement and affirmation. He showed how he believed in you and built others up always. I am grateful to have had such a great friend and mentor. Frank lived a full and beautiful life and leaves a legacy of love for everyone blessed enough to know him.

“ My condolences to the Ricotta family. There was one constant if you went to South High over a period of many years. You had to go through a math course via Mr Ricotta's class. My father was a Teacher at South and colleague (Mr Vinci) of Mr Ricotta and a fellow teacher. Everyone had a great deal of respect of you. And we all are in a better place because we understand math at a higher level. I am glad for teachers like this as they had a positive influence on our lives and futures.

Thanks!

Ted Vinci and Family.

growing up. I never wanted to disappoint him. He encouraged me to follow my
dreams, and that anything was possible. I contribute part of my success as an
individual to him. I was thankful that Uncle Frank was able to see my children grow

“ Our condolences to the Ricotta family.
Frank was a great friend and colleague. We taught together at South many years
and shared great memories. Frank and Bob framed our first home in Pueblo West in
1972 and we are forever grateful to them for starting us on the path to home
ownership when we could barely afford the cost of building.
Frank was a great educator and role model to us both and a loyal advocate for South
High. Rest In Peace good friend, knowing that you will be remembered as a positive
influence on so many.

Sincerely, Gary and Kathy Salimeno
