“ Oh Shan, I just heard and can't believe the sad news. While I never really knew Frank, I know that 50 is way too young and that the pain of a loss of a spouse and father is something I can't imagine. Thoughts and prayers will make me feel like I am doing something for you but I'd really rather do something. So if you need anything that I can help with I would welcome the opportunity. once again Shan, I can't believe it and I truly care about you.

“ Frank, I came here with a loss of words which does not happen too often. You will always be the closest thing to MacGyver I ever met. You were a true family man and a professional comedian. I am very sorry we missed the opportunity to hang out and paint the 65. You will be missed. Rest in Peace - one of your East buddies - John "Butch" Buttram
