“ I first met Joy over 25 years ago at Wells Fargo. At the time I didn't know she was friends with my wife. We connected when I got to know her husband Joe through work. Joy had a very special place in my heart because of her kindness and her love of the Lord. I will miss seeing her in church on Sunday and receiving and big hug from her. My prayers go out to Joe and all the family for the loss of a wonderful woman of God, but I rejoice knowing she is in the arms of Jesus and what a reunion she has had with those who went before.

“ Joe, Steve and Patty, we are so sad to hear of Joy's passing. She was always so nice to our family, I enjoyed bumping into her at the grocery store and visiting from time to time. Hold the precious memories of happy times spent with your mother close to your heart and they will bring comfort to you. Give you uncle and aunts our condolence.

“ Joe and Anthony and all Scalese family, I'm so sorry to hear of Joy's passing. My deepest condolences to you all and my thoughts and prayers are going out to you and your family. I had the pleasure of working with Joy over the years. Anytime Joe had something odd pop up insurance or accounting wise in his business, he'd tell Joy to call Scotty. Those days are missed. I'm so sorry.
