

Nile Geoffrey "Bud" Scott DDS

December 17, 1944 - August 17, 2018

Nile Geoffrey "Bud" Scott was called home on Friday August 17th, 2018. Preceded in death by his father, Glennard T. Scott; and his mother, Nina L. Sole Scott. Survived by his loving wife Joyce; daughter, Kimberly (Mike Egan) Scott; son, Dr. Brian (Anne) Scott; grandchildren, Dane and Rylan Scott; sisters, MaryAnn Dinnauer, Virginia Mertel, Nancy Pineda; and numerous nieces, nephews and extended family. Born December 17th, 1944, in McAlister, Oklahoma to Glennard and Nina Scott, Bud was a genuine and caring man who touched the lives of all that knew him. Bud graduated from Central high school in 1963. After graduation he attended (what was then) the University of Southern Colorado, graduating with a degree in biology. He went on to further his education and receive his degree in dental surgery with the honor of valedictorian from Creighton University and his orthodontic specialty certification at the University of Illinois Medical Center in Chicago. In that time he married the love of his life Joyce Platt. They would have celebrated their 52nd wedding anniversary this month. They had their first child Kimberly during his orthodontic residency and made their way back to Pueblo, where he began his orthodontic practice in 1972. Their son Brian was born a few years later. Bud leaves a wonderful legacy through his love of life and learning and the remarkable orthodontic practice he built. Throughout his years in his orthodontic practice, he became a fellow of the American Academy of Dentists and was a member of numerous dental and orthodontic associations such as the local chapter of the Colorado Dental Study Club and the American Association of Orthodontists. Bud was often recognized for his academics and his work within the community. One of his favorite charities was the Kiwanis Club of Pueblo. He was instrumental in initiating their orthodontic grant program, helping many children receive orthodontic treatment. Not just a gifted Orthodontist, Bud was a loving husband and father. He was passionate about his family and friends. He enjoyed life and he was good at it, sharing and teaching his love of the outdoors, hunting, fishing and barbequing with so many. He will be greatly missed by his family and friends. His adventurous spirit and generosity inspired all that knew him. Bud's family will be holding a Memorial Service Saturday August 25th at 11am at First Presbyterian Church. In lieu of flowers, memorial donations may be made to the Kiwanis Club of Pueblo (Pueblokiwanis.org), Pitkin Volunteer Fire Department (PVFD PO Box 235, Pitkin, CO 81241), Colorado Trout

“ Joyce,

I was shocked to see that Bud had died. We knew nothing. Our houses are in the same neighborhood, but we never see each other. That does not mean you guys haven't been in my thoughts over the year. I know saying I am sorry doesn't help with your pain. Sending a hug.

“ This is Traci Haines. My parents and I lived across the street from Dr. Scott and family in Belmont for many years. Brian loved coming over and hanging out with my Grandpa Mike Cork, Brian would head straight to the goodie drawer LOL. Bud and Joyce and my mom and dad loved hanging out on our back porch. So much fun. We also enjoyed many memories shared at their house by the college and then their house in Pueblo West. So many memories, too many to mention. My ex-husband and I then lived next door to Joyce's parents for quite a few years.

My sincere condolences and prayers.
