“ It broke my heart to see Sandy's obituary in the paper. I didn't even know she had had cancer...isn't it sad to lose touch with people we once shared life with? If I'd known, I would have tried to get in touch with her. Sandy and I had been good friends in college all those years ago. We shared many good times in our sorority, Theta Beta Pi, and in the dance group, Tokalas. Sandy was an extraordinary person in so many ways. I will always remember her sweet smile and loving demeanor and I'm so very sorry for your loss. I know she is missed already. You are in my prayers.
