“ *I love you mom D! You will always be in my heart, I feel your strength in me. I have so many great memories with you and I will always treasure them close to my heart. You were a great grandma, always there for your family, always giving. I remember how much you loved Christmas, with all the gadgets and goodies at your house. I remember you setting off bottle rockets for the Fourth of July, you were right there along with us lighting the fireworks!*

*Thanks for being a strong caring woman and example for me. It's not goodbye, but see you later! I love you Mom D  
Love Toni*

*My Mom was born in Ocate, New Mexico on December 26, 1929. She loved to work in her garden & had a “Green Thumb” with many beautiful flowers & plants in her living room. She was a “Die hard” Bronco Fan & loved to watch the Bronco games. She did not retire until she was in her 80's. She had many saying, qwirks, & advice that give me beautiful memories, especially all the Holidays we spent at her house. She made the Holidays Special for ALL of us! Love & Miss my Mom so, so much!*
