“ Oh so many, many wonderful memories of my dearest cherished friends, Al and Kay. We had such good times at Glacier Park of course keeping with all the rules. Can't forget all those campfires, somemores, laughs, stories and once in a while chocolate waffles. We've also enjoyed so many places together not forgetting beautiful, sunny Florida. My thoughts and prayers go out to Kay, Jeff, Jen, the grandsons and all of Al's family. He will be so greatly missed by all of us and always remembered and never forgotten. Love you Dianne Quebec
