Andres had a strong work ethic and he spent many years working with his hands in a variety of positions from working in the auto industry, to construction, and agriculture. His children have benefited from this work ethic as well. Andres has always loved spending time with his family and friends. Over the years it was not uncommon for him to load up all nine of his children into the station wagon for an over the road trip or a short trip to the nearest fishing spot. Over the years he spent much time recording the lives of his children and grandchildren; and the family continues to enjoy these home movies today. His love for cooking and music were often highlights at family gatherings. Not only did he love bringing out his guitar and/or accordion as

well as the karaoke machine at these gatherings; but, he had a way of helping others connect to the music through his love of it. Andres was always a child at heart, and we will miss his mischievous behavior and little jokes. A Graveside service will be held at 12:00 noon, Tuesday, September 8, 2020 at Roselawn Cemetery.
