“ *Angelo and Adrian and I go way back. We had a blast working on our cars. I remember the many fond memories that we shared. Rest in peace my friend until God United us again.*

“ *Angelo was my cousin. I remember him always with a smile; a smile that was warm, sincere, down to earth and heartfelt. A smile and laughter that would made anyone and everyone else smile. His eyes told a lot if you were able to understand them. He was just a genuine, genuine, soul. I'm sorry we never remained close after our adult years, but that's the mistake so many make. My condolences to the family and deepest condolences from my mother, Theresa Raigoza who thought the world of Angelo and how much his Mother cared for him. The world was a better place with you, Angelo. Hope this next journey is amazing for you. Terry Lynn and Theresa Raigoza.*
