*Thank you Auntie for always being there. You cared so much and never stopped believing. I will miss your smile, "babe" and the greatest tacos in the world. You were a lady who always put others before yourself. Thank you for your love and kindness, you helped me through a really tough time. I will miss you so much. Love, Cheryl*

“ *You will so missed by so many!! I loved you dearly, you were a fantastic mother-in-law, and a treasured friend, especially in the last 15 years. Your love of family was so great. You always gave your all. You came to the rescue and saved Skyler, what a blessing you were to him. You and Freddie had such a great bond over the Broncos..you accepted him in so completely. You loved all our children, and grandchildren, and were so good to them. Rest in peace, as you skip all around Heaven... love you always..Beth*

“ My Beautiful "SISSY", my Best Friend, my Rock. We had so much fun together, we worked at Minge's for a long time joking with everyone. I could tell you anything, I cried on your shoulder so many times. I did that just recently, she didn't know it was for her. We played Bingo together, she loved playing. I'll love you forever.
