“ I'm so sorry to hear about Jean. She was a beautiful woman in and out. She and my mother Dorothy Trani were such good friends. What I wouldn't give for just one more chance to hear them chatting and laughing together. We send our love and deepest sympathies to all of you who love and will surely miss her.

“ Jean was a wonder person! She did my Mom & Grandma's hair up to her retirement. She even gave me my first perm. She came back into our lives when Jean started dating my husband's Uncle John. We are sorry to hear of her passing. Prayers for you all!

Jean was in Beta Sigma Phi for many years, and I am pretty sure she was a lifetime member. We always had a great time working on projects and socials together. We also worked at the Assistance League together and she enjoyed the ladies and Bargain Box and Operation School Bell committees. She also was one of my Mother's best friends, and they had many fun times together. She also styled my Mom's hair for many years up 'til she passed. Jean... always a Sister in BSP and friend. She loved her family SO much, and you all have my deepest sympathy.
