

Anna Marie Martinez

March 2, 1972 - January 8, 2022

Anna M. Martinez, 49, was born March 2, 1972 and passed away January 8, 2022. She was preceded in death by her parents, Antonio and Vangie Martinez. Anna is survived by her beloved children, Darren and Danyel; her siblings Lawrence (Jena) Sanchez, Lina (Chris) Coca, Steve (Leta) Martinez and Rosemary (Joe) Mazzocco; nephews and nieces, Lawrence Jr (Jazmin), Damien (Jordyn), Julian (Ashley), Olivia and Angelo; Uncle John Martinez; special friends Tony and Terri Trujillo; many numerous relatives.

Anna was a loving mother who was very proud of her children. She loved spoiling them with their favorite snacks and all the special little things moms do to make their children know how much they are loved. She loved cooking and made the best hot wings and jalapeño poppers. She loved to dance to Spanish music and was known to grab the nearest person to be her dance partner. She loved meeting new people and would talk to anyone. Her many friends loved her and she loved them. Her fur babies Nate, Sammy and Jaws often shared her lap, her bed and her heart. She had a special place in her heart for all three, but Sammy a little more as he reminded her of our dad for some odd reason only she understood. Anna was a kind, friendly soul who loved with all her heart. She was a true warrior and a proud breast cancer survivor. When life tried knocking her down, her spirit grew stronger and she always overcame. We take comfort in knowing she is dancing to cumbias with mom and dad in heaven and we will be together again one day. Our beautiful

sweet Anna will be forever loved, remembered and missed.

“ I never got to spend much time with Anna, but she has been a part of my "extended family" for many years. I lost one of my younger sisters seven years ago and to lose a sibling is very painful. My heart goes out to Lawrence, Steve, Lina, and Rosemary as they mourn their sister. I will keep Darrin and Danyel in my prayers, as I know they will have tough days ahead as they miss their Mama. Know that I will hold this precious family in prayer in the coming days.....

“ All my Love to the family...who I've grown up with and love as my own. Anna treated me every time like not a day had passed. I'm thankful her baby sister shared her with us...she treated us like sisters too...caring and bossy...Protective, silly sometimes stern but most of all Loving. An amazing mother to her children and so very proud of them. You will forever be missed Anna we love you.
