“ It is hard to believe that such a sweet man has left so suddenly. Tony was so full of life, eager to make everyone feel welcome with a friendly hello. As our neighbor and friend we had treasured chats across an alley fence or as he was walking his dog, we were never a stranger to him. So easy to love and talk with we will sadly miss his friendly waves and chats. The world is a bit dimmer without him. Our love and prayers are with his family, we will miss him very much.

“ It is totally unbelievable that Tony went so suddenly. He was a fun, easy to know human being and I am honored to have met him. For the six years I have worked at Meals on Wheels, Tony and Vickie drove at least three days a week, which I figure is almost 1,000 times. Tony was dedicated to the Meals on Wheels mission, except for golfing days! He will be missed as a friend and a fun person.

“ I am so sorry to hear of the loss of our dear Tony. What a sweet, humble, wonderful man. He treated everyone with care and respect. My mom, Neva, worked with him at King Soopers for many years, and they had a very nice friendship and respect for each other. I always loved running into him at the store, even very recently, and he was always so friendly and caring. May God bless and comfort your family.

Sending love and prayers,
