“ *I had the honor to work with Wayne at Fremont Correctional Facility and again at Pueblo Facilities. Wayne was a caring and good man. He always had pictures of his son to share, who he loved so very much.. Wayne will be missed but carried in our hearts.*

“ *As We Look Back*
By an Unknown Author

*As we look back over time
We find ourselves wondering
Did we remember to thank you enough
For all you have done for us?*

*For all the times you were by our sides
To help and support us
To celebrate our successes
To understand our problems
And accept our defeats?*

*Or for teaching us by your example,
The value of hard work, good judgment,
Courage and integrity?*

*We wonder if we ever thanked you
For the sacrifices you made.
To let us have the very best?*

*And for the simple things
Like laughter, smiles and times we shared?*

*If we have forgotten to show our
Gratitude enough for all the things you did,
We're thanking you now.*

*And we are hoping you knew all along,
How much you meant to us.*

*Wayne was a friend, supervisor and a father that loved his son more
than life.*

Those of us that worked side by side with him through the years

appreciated his gentle demeanor, work ethic and respect in which we were treated.

May our hearts remember and cherish his friendship, kindness, gentle ways and love for his son.

“ Wayne was one of the best bosses I had ever worked for, He cared for his staff and was so family oriented, His mechanical ability to fix things or create things was unbelievable. He was one tough cookie ,no matter what life threw at him he always over came it with a smile. His obituary has been posted on a DOC website and the broken hearts and the memories are pouring in. He most of all loved his son and his baseball above all else. Nothing was more important, He will be missed by all, May GOD heal the families broken hearts and may Wayne rest in piece,,,he will not be forgotten by many

“ He was such a wonderful and gentle giant. He will be missed. I worked with him at SCCF and would see him periodically at LVCF AND YOS. 😞

Wayne was a coworker for many years. His advice and counsel were given freely and much appreciated. Wayne had a gentle spirit and was patient with staff and offender. During the time when my mother passed, Wayne covered for me so I wouldn't get behind at work.
