“ My condolences to Wayne’s family. We grew up together at Lakeview where we learned clarinet together and played Bantam League Football (Wayne was our QB). At Corwin we stayed close and played football and wrestled together. At Central he became a polished wrestler. Then at USC-Pueblo we reconnected in our accounting classes. During this entire time Wayne was a true friend. His mom and dad always made me feel welcome when I visited after school. Everything I observed Wayne do, he did with class and consideration for everyone he touched. Farewell my friend.

“ I worked with Wayne at EVRAZ Maintenance Department. Pueblo has lost a great friend. He always made me laugh and helped me greatly when I lost my son with comfort that he knew exactly how I felt with the loss of his daughter. Wayne... I'll look to you in the stars.

“ Our condolences to Pam and the entire family! Even though there has been time and distance that separated us for a while, the moment Wayne moved back to Pueblo, we were able to rekindle that friendship right where we left off! Keeping the entire Family in our hearts and prayers.
