“ To my nana , you had one of the biggest impacts on me. You always had the strength of no other & always put up a fight. I'll forever cherish the memories I had with you every day , every hour , & every moment. You showed me to remain strong at all times and always let me know everything will be okay. I love & miss you more than ever. Forever NANASWORLD 💜

“ My mom was one amazing lady. And it's so hard to believe she is gone, her presence may not be physically in my life. But her love will keep me going and forever be in my heart. She is now with the Lord and her beloved son Joey. My brother who remains in my as well. Until we meet again at Heavens gate. Amen.
