“ It's been over a month since you've left this world. My birthday is coming up, so is the end of the year holidays. I wish you were here to celebrate with us. Some might think its unnecessary for me to be writing on here again, but i see it as a way to cope... Orion told me the other day that he "Misses mama's house". I know he's not aware that you're gone quite yet. But that truly broke my heart... I hope you're enjoying life up in Heaven with your Mom and baby girl, be sure to tell my fam I miss them as well. Love you Ari -Oiseau
