*Arlene I miss and love you so very much! You have been a part of my life for over 30 years, as well, as my family's. You brought laughter, fun, love, honesty, and you were with us unconditionally during the deaths of your family members and ours. You were so devoted to everyone and we all loved you so very much! Arlene you were my maid of honor and Phil was our best man thirteen years ago when we got married. You have always been like my sister since you came into our family. You have left a huge void in our lives! I just can't believe you are gone, you left this world and your family too soon. I pray that you are in peace with God! I love you sister!*
