“ I already miss you tremendously. I will see you in every moment & minute. I already see you in ALL the nature that surrounds me. We as the Gallegos family are so blessed that our parents gave us siblings that are strong in love, and we will support each other at this time. Mandy when you see our son give him the special Gallegos hug. You are in my heart forever. I love singing, playing and all our special moments with you and our sisters. The vacation we girls had dancing with each other and making memories will always be with us. I LOVE YOU and proud to be your baby sister Georgia. ☐✝
