“ Above all else, Arthur was a family man. When we saw him at our mom's 90th birthday, he was so proud to be there with his family and introduce us to his grandchildren. It is the love and devotion of his wife Jan, his children and grandchildren that gave him the strength to face difficult times. We are sorry for your loss, but know that your fondest memories of him will be in your hearts always.

*Sending love and prayers,  
Peter and Karen Smaus (Fognani)*

“ Art and I worked many long days together at Big John's Landscaping and Stone Company during our teenage years! We used to always pray for rain in the afternoon so we could go home when it was over 100 degrees! I will never forget our time together.

“ For Art's devoted Wife Janice and their two lovely children:

*Please accept my most sincere and heartfelt condolences for the loss of your dear sweet husband Art and your father.*

*I remember meeting Art when I was in Jr High School at Vineland Jr. High. He was a happy young man with a sweet smile and a big heart. He was someone who was quiet, polite, determined and loyal.*

*Jan, I remember when Art started walking you to class and when you went to school dances with him. He was always tall and slim. That was back in the day when the girls were taller than most of our male classmates. I don't remember if he was a good dancer... :)*

*The last time I saw Art, he was at a secondhand store in Blende. We compared our found "treasures" and joked about how we liked to be surprised about what "treasures" we could find.*

*You are blessed with him being a real lifelong treasure; there for you no matter what. Jan, you have my utmost respect for your lifelong devotion and personal caretaking of Art. I want to believe he is in a place that is perfect in every way and with many Thrift Stores in which he can poke around for cherished prizes. Jan and your children are his true one-of-a-kind lifetime treasures.*

*Prayers and very best wishes to you and your family. With Love  
from Cousin Margie Genova*
