“ It was with a very sad heart that I read of your passing. Barbara, you and your family have been on my mind lately especially when I drove passed your home on Goat Hill even though we haven't seen or talked to each other for a long time. We were so like minded, and you gave such great advice over the years. After you left the court house where we would always have few minutes to catch up, I always missed those times. RIP. Barb! My deepest condolences to all of Barb's family. She was a great lady.

Lynn, Jan, Mara so sorry to see of your mom's passing. Your family were such good neighbors. Your mom always shared her wonderful dishes with us. I will not be able to attend the service. Sending hugs to you three. You will be in my thoughts and prayers!

I am emotionally stunned. Though she was old enough, I'm at a loss. Knowing her was the sole thing that helped me go to work. "Sweetest lady"
