“ *My son had the honor to be a student in Babara's class in the 1990's. She was an amazing and very patient teacher and the kids loved her. I had the great fortune to go and listen to the kids read from time to time. She truly loved each of her students and had respect for each student. I enjoyed seeing her at church and at the store after she retired. Rest well Barbara, job well done. Many blessings for peace and comfort for her family and friends. Pam Keller*
