“ Dear Deb, my heart hurt for you and your family when I read the news of your Mom's passing. Losing my Mom was the hardest thing I have ever had to go through; she was 89 when she passed in 2005. I will keep you in my prayers. I know how close you were and that this is a difficult time for you and your family. I thank you for talking with me on the phone the other day; I had no idea at the time about what you were going through. My deepest condolences to you and yours.
