“ To my beautiful friend Betty, I am so happy that we became friends many years ago and shared good times as well as sad times. I remember the day you took this picture and all the fun we had! God bless you "Sanchez", until we meet again.

“ My heart is there with you as you say goodbye to Betty Jane. She is very much a part of my personal memories...good memories. She will be missed by me, but you have a life time of memories and she will live on for the rest of your lives in those sweet times together. Then in the end you will find her waiting, smiling and welcoming you into the after-life she is now in. Stay strong...you will find yourself laughing and crying at the most odd moments. And that is perfectly okay. She knows your pain and she too will be laughing and crying as your lives continue without her. I love you all. Peace be with you.

Thank you Francie. Your words are precious and so meaningful. I will forever miss her. She is the last thing I think of when I go to sleep and the first thing I think of when I wake up.

“ To Andrea, Nick & all of Betty's Family - I have so many wonderful memories of Betty during my time working with her at the Lottery. I am thankful she is out of pain and at peace but so sad at her passing. We will miss her always. Please know I am thinking of you at this sad time and you are in my prayers.
