“ I’m from the Wilbur Dean side of the family, who was Uncle Glenn’s older brother. My memory of Aunt Betty is that she and Uncle Glenn were a great team, where Uncle Glenn was a get it done, type A entrepreneur, while Aunt Betty was a calm center pole for the family, who was organized and supported their business. She definitely had bundles of patience to put up with 4 mischievous boys, my cousins, who taught me and my 3 brothers many ways to get into trouble! I feel very fortunate to have had her influence in my life.
