“ *I am sorry to learn of Bill's unexpected passing. Bill was a good friend when we were kids. He kept us laughing at his jokes and was also an outstanding athlete. He was a very fast runner and later became an impressive body builder. I'm sorry I couldn't attend his funeral to pay respects. May God's Spirit bring comfort to his family and friends as they grieve at his passing.*

“ *My thoughts and prayers are with your family today. There is so much I could say about Bill but to sum it all up he was a kind and loving man. I only had the pleasure of knowing him for the last 8 years but he will always have a special place in my heart. May he rest in peace.*

“ *Alice, Kristin, Bryan, my thoughts and prayers are with you and the rest of the family during this time. Being my next door neighbor, he taught me a lot of common sense safety tips, shared funny stories for a good laugh and was first to say "hello" each time we saw each other. I will miss his gentle soul.*

“ I was sorry to hear about Bill's passing. I want to extend my sympathy to his family. I worked about six years with Bill. He always had a great attitude for work and life. Enjoyed his sense of humor and always knew he had my back. Will miss "Wild Bill".
