“ Today, a month since your passing, I still feel as if it's not real. While I know it is, I would give anything to just have 5 minutes with you. You will always hold a special place in my heart and many other hearts as well. Love you!

“ *I am so sorry to hear about Brenda. I remember when you would come & visit our family when we were all younger. Then one day, several years later, I went into work (Holiday, Zimmerman) & there she was, working her first day there. It was fun catching up with her. You are all in my thoughts & prayers!*

“ Roxann, Art, Bruce & Lynn,  
I just heard the sad news, Brenda was such a caring person and she will be greatly missed  
I remember when my Mom used to babysit the kids Brenda always had that cute terrific smile on her face. Now she is in Heaven and I bet my Mom & Dad are both there to welcome her. I will be thinking of your whole family today as you lay her to rest  
May God be with all of you  
I love you guys

“ Auntie Brenda,

*My heart is broken and I'm so sad that you're gone. I know that you're in a better place and free from pain and worries now, but I still wish you weren't taken so soon. I'm so thankful for the letter you sent me, and that we were able to reconnect one last time. It'd been so long since we've seen each other, but I will always remember spending time with you as a kid. You were such a fun aunt, and I have so many funny and awesome memories of you. I pray that you finally find the peace and comfort you deserve. I love you, auntie.*

Love,

Your niece Nicole
