

Bruce Bensik

June 3, 1951 - January 1, 2022

Bruce Edward Bensik, 70 of Beulah, CO went to be with his Lord and Savior January 1, 2022 after a long battle with cancer. Bruce was born June 3, 1951 and lived in Pueblo his whole life. He was the owner and operator of ABC Electric for 35 years. Preceded in death by his parents, George and Esther Bensik; brother, Rick Bensik; former wife, Cheryl; and step son, Paul Swart. Survived by his wife, Shevawn; son Brent (Melissa) ; daughter, Nichole (Fabian) ; step son, Sean; 15 grandchildren; and one great grandson. Bruce's family was the most important thing in the world to him and he was very proud of them all. He loved fly fishing, camping, and skiing. The last few years, he enjoyed working on his family property in Beulah. Everyone who knew him knew that he was a really hard worker. He made a lot of friends during all his years in business and on his many fishing and skiing trips. He and Shevawn traveled from Canada to Mexico and from Alaska to Florida. Almost everywhere they went Bruce would run into someone he knew. He was very happy that he recently got to spend some time with his son in Connecticut and do some camping with his daughter. Cremation has taken place. A Memorial Service will be held, 10:00am, Tuesday, January 11, 2022 at Roselawn Funeral Home Chapel. The family wishes to thank all the angels at Sangre de Cristo Hospice and the Joni Fair Hospice House for taking such good care of Bruce. In lieu of flowers please send donations to hospice house. “ He and I sat at the same table and spoke for a while at one of our recent East High Class of 1969 reunions, the one in 2014, if I have that right. For me, it was among the highlights of that reunion, to see and reminisce with Bruce. I am so sorry to learn he is gone.

“ I will miss you, our phone calls, the laughter, the tears, the joy, your wisdom my "brother". Life is a journey and one you have fulfilled with good sense, good judgment (most of the time!) and most of all good humor. It is said that "happiness" is an emotional state, joy, satisfaction, contentment and fulfillment. I hope you realize that that is what your life window has shown to me. I love you Bruce, thank you for being there for me all these years. You are special, unique and I hold you in the highest esteem, you have made a difference in my life and I am better for having known you. Find peace and comfort and know you have touched so many. I hope you and Rick are on some heavenly river fly fishing. All my love, Donna

“ June 24, 2021, Sean, Fran, and I had our outing made more enjoyable when Bruce joined us and borrowing Sean's kayak, got his first solo kayak trip. Lake Pueblo was calm and the weather great.

All my times with Bruce and Bruce and Shevawn have given me wonderful memories.

“ My Deepest Sympathies... for The loss of ones husband is an extraordinarily difficult time for a partner to go through. The man they loved so deeply and wanted to spend their entire life with has passed away, leaving behind feelings of grief, loneliness and fear.

No one can be prepared for or understand the pain of losing someone so special. So sorry for you and your familys great loss. R.I.P Bruce ; May you fly with the angels and be with the lord for all eternity. Till your family reunites in gods glory.., in his heavenly kingdom. Amen. Hugs to the whole family.
