“ *I am saddened and in disbelief! I am going to miss you and that crazy laugh of yours! You had a beautiful heart.....always willing to help anyone and everyone! If I had only known the last time you stopped by the house was going to be the last time I saw you, I would have hugged you tighter. RIP Carmen....you will be missed!*

“ Aunt Carmen how much I am going to miss you and how much I already do. You always knew how to make someone laugh. I remember she used to call me just to tell me a joke or a funny story. She passed away the day before my birthday. I missed my birthday call this year. Every year she would call and say “happy birthday baby!”. I will miss having Christmas and thanksgiving with you. I will miss going up to see you and walking around the riverwalk or going to dew drop. I love you so much

“ I first met Carmen in 2008 when I was referred to Dr. Louis. A year later, Dr. Louis diagnosed my prostate cancer. During my 45 radiation treatments (over 9 weeks), Carmen checked on me frequently. We quickly became close friends. When her husband passed away, I was one of the first people she called. At least once a month since Donn's funeral, we shared lunch or dinner. Rest In Peace, my dear Carmen, I will forever remember our brief moments together. My sincerest condolences to her family and other friends.

“ Carmen, what can I say she was a wonderful friend. We met her in 2007 when we opened the Baxter Liquor store She was only two block away, we saw her alot she would just stop to say hi. We developed a great love for her , we refered to her as our adopted daughter. She was always very helpful. Gale would have her stop by and draw his blood so he wouldn't have to go to lab core. She even got an appointment with Dr Louie when he found out he had prostrate cancer. We both loved that kid , she always came in with a smile and a new story. Gale passed away 5/12/2022 I miss both of them sooo much RIP little Carmen..
