“ My cousin Carol used to babysit me when I was a toddler, which was fitting since she was my favorite cousin. For the longest time, she was the only girl cousin in the Sjostrom side of the family until my sister, Judy, was born. My favorite memory of Carol was at our folk’s cabin at Twin Lakes. She told me when we were eating watermelon that it was good luck to throw the rind at cars going up on Independence pass. We never managed to hit a car, but we were trying. Carol never stopped laughing.

“ I have known Carol, it seems like forever. She was a sweet. loving person. We played softball together for over 15 years and shared so many memories. We watched our children grow up, become parents and gave us loving grandchildren. I will miss her so, but I know her family will miss her more. God bless you Carol. See you on the other side.
