

Carol Anne Michalek Witala

December 10, 1950 - October 3, 2023

Carol Anne Michalek Witala was a lovable and vivacious caring person. I was the lucky man to marry her on September 15, 1978. Carol Anne Witala worked in health care most of our marriage during which she demonstrated the ideal character of a nurse who was very kind and sensitive. She had special empathy for her Uncle Vic who was mentally traumatized during World War II. She was her mother's main caregiver for the final months of her life. Carol would routinely drive to Roselawn Cemetery not so much to make a payment on our funeral but to pet the comfort dog there. Carol's memory had been deteriorating for the last several months and she suffered with the knowledge that she was losing her mind. Not only that but she also suffered from pain from complications of two stomach surgeries. Life was very difficult until it ended on October 3, 2023. Now Carol is at peace and I can remember the wonderful woman I married. Carol is preceded in death by her father, Robert; mother, Donna; and brother, Bob. She is survived by her husband, Don; and sister, Jeanine (Don); also survived by nieces, Kayla, Amanda and Charla, and nephew, Jeff.

“ Carol was indeed a sweet, caring cousin. We grew up together out on the Mesa and I have numerous memories of those years! We kept in touch from time to time and her emails will always be special to me. Don, you were a special man in her life and I am sure she was grateful to have you be a part of her life all these years. My deepest sympathy to you! She will be missed, Kathy (Baird) Walton.
