“ Chuck,was one of those guys,that everyone knew,and has been mentioned,would always lend a helping hand.

I had a pumpkin patch,and called Chuck for advice. He told me what i should and shouldn't do.He didn't stop there. When it came time to plant,he was their for that as well.

Patti brought me a file on different things concerning festivals and such.

They both attended,but not empty handed. They brought chairs that were very much needed.

And,more importantly they brought their love of community.

My dad,L.E.ALLEN, thought the world of CHUCK, and spoke of him often.

Primarily to say,if "worry " could make a crop beautiful, Chucks would shine above all.

I will never forget him. CHUCK AND PATTI,both stepped up for me,when I needed it.

Forever in my heart.

“ I'm enormously saddened and heartbroken about Uncle Chucks passing. My sympathies to Aunt Pat, Julie, Frank and C.T. To me, Uncle Chuck was a Vineland icon who truly loved the community and the farm..it was his life. He is going to be missed for a long time.

“ Chuck was the 'real deal' with innate integrity and a down-to-earth approach that made all problems seem soluable. He was ALWAYS part of the solution and never contributed to the problem. We need more like him. He will be SO MISSED by a family who loved him as much as he loved them! My heart goes out to them....
