“ Christine was one of the first neighbors to welcome me to the Mesa.
We bought the acre next to us from her. She was always kind to me
when our paths meant. There were many debates when I walked
our precinct. She was an avid Democrat and always was in touch
with politics in our area. I oftened walked with my granddaughter by
her home. She would always visit with us and encouraged Ellie to
come by and see her neighbors horses. I will always remember her
kindness to our family.
Florence, it was an honor to know your mother. May your happy
memories help you through your loss. Toni Carter
