“ Dear Rick and Nick

I am just learning about the passing of your mother. I know she is with your dad, grandparents and all of our family that have gone ahead of her. What a beautiful person she was. I have so many good memories. It is very painful loosing a mom so I give my heart felt symphy and my prayers to you both now. She suffered enough and I'm glad she is at peace. God Bless you both and your families.

“ *I was adopted into the Bucciarelli family thru my mother's marriage at age 10 at which time Clara Ann became my "cuz". We graduated together and kept in contact over the years when I moved away. She opened her home to me when I came back on occasion and I have dear, sweet memories of her and thank the Lord for the times we spent together. Clara Ann was a very special woman and she touched the hearts of all who knew her.*
