“ Clarence was a wonderful grandpa, I remember when we went to the ponds or lakes or even bishop castle and hike around in Colorado was some of the best memories I've had out there. He's also taught me how to play chess, pool and darts very well. He always had a great smile. Love, Riley Saiz

“ Clarence, your sense of humor and smile will be forever missed. The wonderful story telling, accompanied by a slice of your delicious rhubarb pie and a cup of coffee will forever be our favorite memories with you. We will continue to look for that fountain of youth we always talked about. We miss you dearly. Zane, Ayslin, Lucas and Dylan ❤️

“ Clarence Will be sadly missed 😞 I've known him since I was 18 years old and I worked alongside him and we had a few tasties after work and cried and laughed together. Clarence Morals and Ethics were best I never heard him saying anything bad about anyone. Clarence taught me that a hard day of work not only could make me feel proud but he made it fun and his big Smile showed it and encouraged me. Clarence was more than a Friend and Coworker to Me He Was My Dad and I will Never Forget Him. I Love You Clarence and I Know the Angels are singing 🎵🎶 🕊️
