“ My condolences to Colleen's family. I'll always have great memories of the many good times we had together. She was just 19 when we met, and it was so easy getting to know her, it seemed like I'd known her forever. Always so friendly and fun, not to mention beautiful as well. Jeff was a lucky man and Mandy and Zack had a great Mom. I bet she was a fantastic Grandma too. I'm sure she'll be missed very badly, but just hang onto those priceless memories! I wish I could attend Colleen's services, but unfortunately my health won't allow a trip that far and long from home. My prayers go out to your Family and friends. May God be with you Colleen. Rest In Peace sweetie 🙏

“ Colleen was a very dear friend. We had been friends for many years. We lost contact for several years but got in touch again recently. We always enjoyed hanging out when her kids were young. We always had a good time, Bible Studies together, lunch, just hanging out with our kids, we cleaned our church together and made lunches once a month for the seniors of our church. Colleen was a great cook. We also did children's church together. We enjoyed crafting together. She will be missed, but, I know I will see her again.

Love you dear friend,
Becky Mondy
