“ Dear Amber and Family,

I am so very sorry about the loss of Connie. She touched my life in so many ways. She was a bright spot in the day when she walked into the room. Her blue eyes and her smile would make the worst day a little better. She will be truly missed.

“ *I loved her bubbly personality and optimism. She always was smiling and encouraging all of us at Visiting Angels. I missed seeing her in the office. But I thank the Lord that I ran into her a few weeks ago. She was smiling and gave me a hug. She will be missed by everyone who knew her. May the family find comfort that she is in the arms of our Lord.*
