“ Sorry I was unable to attend the funeral of my dear friend and colleague Corrine. I left on the 14th on vacation to Gilbert, Arizona. I did visit Corrine many times and also went to see her when she was in hospice. Corrine was always so pleasant. We taught together at Spann and I have wonderful memories of our teaching days there. We kept in touch through the years. She will be missed.

“ It was great sadness that I learned of Corinne's passing. We had been friends since childhood and she was never short on hugs when we crossed paths. Although I only know Carolyn and Laura, my thoughts and prayers go out to the entire family.

“ She was always so nice to me as a Knight of Columbus I once was able to help her into bishop Bergs ordination they wanted her to stand there for two hours and since I had setting set aside for my family I gave her my seat and water she was so happy. She even sat with us for dinner and was instantly one of the family. She was always nice smiling and loved my family. My family is so sorry we missed her funeral we where gone but love her God bless her and may she be with the Lord forevermore.

“ My condolences to Corinne's family on your loss. I have fond memories of this sweet lady from our college and sorority days. I remember when she worked in the college library, and aspired to be a librarian. She reached that dream. I am sure that she enriched many young lives in her career.

“ Corinne was always a "mother hen" to all of us "chicks." She watched over us through the years from high school to the present time. I'm sure she will still watch over us from above. She finally gets her deserved rest in the heaven she so believed in. My sympathy to the family.
