“Cris was a wonderful woman. A friend of my moms, she quickly became my friend too. She took the first pictures of my daughter and My favorite photos over her childhood. In recent years, she would stop by to say hi every time she was near the pharmacy. I will miss her beautiful smile and her reminding me I needed to teach her to tie pearls again. I remember how much she loved her family and grandchildren. I am sending love to you all.

“We're so blessed to have known Cris and will truly miss her. We're grateful for her visit to Chicago last June and that we were able to share a wonderful day of celebration with her. She was so happy and lit up the space. So many guests came up to us that day to say how much they enjoyed her presence. Our heart goes out to her family members during this difficult time and we hope that they find comfort in her beautiful memory. Love, Jackie and Ryan Clementz
