“ *My memories of Dallas were also from high school. He was always happy and silly and friendly to everyone. I can still see his big smile. May he rest in peace and know that he was a friend to so many.*

“ I like Dalles; we went to school together since elementary school. I lost track of him after graduation from Central High, 1965. What I do know is that he was a very, very, nice boy and pleasant young man.

“ I knew Dallas in football practice, we didn't have any classes together. Always a good guy with a sense of humor and fun to be around. My condolences to his loved ones, may the Lord be with you, you will be missed. Michael Ratliff

“ Dallas, you were a good man and a good friend to my mom for many years. I remember always going to your house when I was a kid and it helped that we lived across the street from you for a little bit. When I was little, I thought it was so funny that you were named after "a football team and a city." My mom always told me otherwise and would get mad because I would laugh about it. You will be greatly missed by all who knew you. Rest in peace, my friend and may your family find the comfort they need to get through this difficult time. My heart, thoughts, and prayers go out to your family.
