“ So very sorry to hear of Daniel's passing. I remember he and Rob tearing it up as little boys when you lived behind us for a while. Great young men, both of them. A life too short for sure. He will be missed.

“ Danny was my brother from another mother. A friend, confidant, and teammate. Most importantly he was family. No blood flows between us but I would follow him to hell and back if needed and never ask why. Rest well my brother til I see you again.
