“ *We will always remember Dan as a kind and gently man. We came to know Dan and Darla through our shared love of Estate Sales. Because of that, we became friends. We were blessed to have had him in our lives. May he Rest In Peace. Jim and Tomma Parco*

“ *From a young age I remember my sister Darla always so giddy and happy on the phone. Every chance she got she would be talking to this boyfriend of hers who turns out it was Dan. All those phone calls would eventually lead to 3 beautiful children and 59 years of marriage.*

*When I was young I stayed with them a couple of summers and I always remember Dan's infectious laugh. Later on Dan and Darla would visit us and while playing the organ Dan would fill the room with his beautiful music. I am forever grateful for the love and care he gave to my sister and all his family, he was truly a great man!*

“ I first met Dan when I was about ten years old and he started dating my big sister Darla. I sure remember how much Darla looked forward to a call or visit from Dan. Sure enough once they graduated Dan swept Darla off her feet and they were married. Little did I know that this high school romance would blossom into a 59 year loving marriage.

On two different occasions Dan and Darla offered to stay with Jean, Jackie and I so Dad and Mom could work out of state. This allowed us to stay in our home school.

It is with a heavy heart that we offer our sincere condolences at the loss of this loving, caring, giving Father, Grandfather, Great Grandfather and Brother-In-Law.
