“ I was just thinking about my husband. He was such a blessing to me. I am happy that I was able to spend 5 years with him. I am honored that I was able to plant a tree in his memory. I believe he met my mama Rita with open arms. I can't wait until the day, I am back in his arms once more. I miss the Hell out of him.

*I did love him. I am still torn about it. I am not going to be with anyone. I have crushes, nothing. I would just rather be alone the rest of my life. I have to stay alone because my husband is in Heaven waiting on me. I have lost so many tears. Assumptions are dumb.*
