

## Daniel S Taylor

December 5, 1991 - April 28, 2021

On April 28th, for unknown reasons, a beautiful and loving soul left this world. Daniel Stuart Taylor graced our earth for a mere 29 years. He touched the lives of many and brighten everyone's day with his infectious laugh. He lived with a level of kindness and honesty rarely experienced in this life. He had a strong sense of adventure and a true passion for the outdoors.

Daniel was preceded in death by Nell Taylor (grandmother), Jesse Vermillion (grandfather), Robin Strange (Aunt), and Winnie Taylor (beloved pet). He left behind Robert and Robin Taylor (parents), Cassie and Vincent Griffin (sister and brother-in-law), Alice Jane Fuller (grandmother), Kimberly Zornes (Aunt) & family, Joe Vermillion (Uncle) & family, as well as numerous extended family members and close friends.

The family would like to extend a special thanks to the friends and family that have stepped up in this time of crisis. They would like to recognize Roselawn Funeral Home Staff for their assistance during this time of grief. The family is accepting contributions to offset this enormous and completely unforeseen expense. Please contact Cassie Taylor for more information if you are interested.

A ceremony of life celebration will be hosted at their Pueblo Residence from 12pm-5pm on Saturday May 15th. An additional ceremony will be held at his parents' home in Indiana on Saturday June 12th from 12pm-5pm.

“ *I'm not super great in lines and one day I was in the line talking to Dan and he could sense I was having anxiety. He comforted me and gave me a bottle of water. He comforted me quite a few times when I had anxiety. He was a good friend and a man I trusted when I don't trust many people. I had a lot of love and respect for him. He is dearly missed.*
