“ I know now that I was the lucky one to have had one of the most wonderful and thoughtful sisters ever . I got to be able to see your great personality and true devotion to your family. I know you are up in heaven right beside mom holding her hand just like when you were a little girl . I'm so glad you had a husband that loved you with all his heart and children who were always there for you . My dear sister you will be missed by all . I love you ❤️. Your sister Jackie

“ *Darla was a great big sister. As I was several years younger growing up I always thought her friends were so cool. Of course at the time I would never tell her that. I can remember her always being there for us. Helping Mom around the house, or us with our homework. She was greatly loved and will be truly missed.*
