“ *Davie P...I have so many great memories of you I will never forget. You were a very important part of my family for many years; you were there for most all of my and Michelle's life milestones, and you were always there when I called you for help. You had your quirks and your own ways that made me go hmmmmm, but i am going to miss them as much as I am going to miss you, your laugh and your generous heart.*
